

The illustration depicts a group of five adventurers in a desert-like environment. In the center, a blonde woman with a large yellow feathered headdress holds a sword. To her left, a bald man with a beard and a dark hooded figure are visible. To her right, a woman with red hair and a man with dark hair are shown. In the background, a large yellow dragon with white wings is perched on a rock. The scene is set against a backdrop of orange and yellow hills under a blue sky.

Dank aan Jean Wapart, daarom de hele ring van (S)ol
Ik zie dat alles dank aan mijn vader.
Dank aan mijn broer, mijn vrienden en allen die er voor me waren.
Dank aan David Port en Frédéric (breuk) aan hun stromen.
En natuurlijk een laatste dank aan mijn liefde, Elia

de mensen, de dieren.
Naar mate de dank zonder woord,
groeit met hem de kwaadaardige sluis.
De Yull.
Alleen magden kunnen die zonder gevaar betreden...
Alleen magden kunnen het best benaderen
om het te doden.
Daarom is de rede van de Brukenridders opgericht.
