Dave Rich,
THE ORIGINAL AND ONLY ONE PRICE CLOTHING IN COBLESKILL.
We are now in the midst of a very heavy fall trade on Coats and Clothing. Dress goods and Trimmings, Blankets, etc. and we want long enough to call attention to our enormous stock of Shoes and Rubbers. If you patronize our Shoe department you can be assured that you're on the RIGHT TRACK.
What especially commends our shoes is their durability and their handsome appearance.

ON THE TRACK OF A GOOD SHOE.
Our Shoe trade is a growing trade, mainly because we deal in reliable goods at moderate prices, and while we think of it, we want to let you know of our great stock of KNIT UNDERWEAR for Men, Women and Children. You'll miss it if you buy elsewhere - and you are again on the right track if you buy of us.

IRVING VAN VORIS.
(Successor to C. H. Shaver.)
My name is Art Andes. I have a romantic history. For three thousand years the material for my boots is rooted in the mountains of the Andes. About three years ago some miners re-discovered it. It was carried over the Lohr Valley R.R. to Denver and sold to the enterprising firm of Clark & Co. They at once set to work to fashion the best and most beautiful leather shoe in America. I am happy because I am very heavy, durable shoe, so that I can wear a long life, and make the people who buy me joyful also. I am a long life, and make the people who buy me joyful also. I am a long life, and make the people who buy me joyful also.
