

If I could teach you, teacher,
I'd show you how much you have done
throughout the year.

You have been my hero
in so many ways.

When I thought I couldn't do it,
You showed me I could.

When I thought I was alone,
You stood by me to prove I wasn't.
When I only wanted to think about me,
You showed me how to
think of others first.

When I was afraid to try something new,
You were my loudest cheerleader.

You were my best friend, my mentor,
and my advocate to all around me.
Thank you for being so INCREDIBLE!
Your influence will last a lifetime as the
seeds you planted in me become
blossoms in the Spring.

If I could teach you, teacher,
I'd show you how much you are loved!
